Subchapter II — Retail Food Establishments; Licensing and Standards

ATCP 75.03 Retail food establishments; licensing.

(1) **LICENSE REQUIRED.** Except as provided under sub. (9), no person may operate a retail food establishment without a valid license issued by the department or an agent municipality or county. Licenses expire on June 30 annually. Each retail food establishment shall have a separate license, which shall be prominently displayed in the retail food establishment. (3) **ANNUAL LICENSE FEE.** An applicant for a retail food establishment license shall pay an annual license fee as follows:

(a) For a retail food establishment that has annual sales of at least \$25,000 but less than \$1,000,000 and processes potentially hazardous food, an annual license fee of \$265.

(b) For a retail food establishment that has annual sales of at least \$1,000,000 and processes potentially hazardous food, an annual license fee of \$685.

(c) For a retail food establishment that has annual sales of at least \$25,000 and is engaged in food processing, but does not process potentially hazardous food, an annual license fee of \$190.

(d) For a retail food establishment that has annual food sales of less than \$25,000, and is engaged in food processing, an annual license fee of \$60.

(e) For a retail food establishment that is not engaged in food processing, an annual license fee of \$45.

Note: A person applying for an annual retail food establishment license is required to pay, in addition to the license fee under sub. (3), a weights and measures inspection fee under s. ATCP 92.12. A license may not be issued or renewed until all applicable fees are paid. See s. 97.30 (3) (d) and (3m), Stats.

(4) **REINSPECTION FEE.** (a) If the department reinspects a retail food establishment because the department has found a violation of ch. 97, Stats., or this chapter on a regularly scheduled inspection, the department shall charge the retail food establishment operator the reinspection fee specified in par. The department may issue a demand for payment when it issues a license renewal application form to the retail food establishment operator.

(b) The reinspection fee required under par. (a) is as follows:

1. For a retail food establishment that has annual food sales of at least \$25,000 but less than \$1,000,000, and processes potentially hazardous food, the reinspection fee is \$190.

2. For a retail food establishment that has annual food sales of at least \$1,000,000, and processes potentially hazardous food, the reinspection fee is \$450.

Unofficial Text (See Printed Volume). Current through date and Register shown on Title Page.

The department or its agent municipality or county may issue an interim license, for a period not to exceed 40 business days, pending final action on an application for an annual retail food establishment license. If the department or its agent denies a license application before the applicant's interim license expires, the interim license is automatically terminated when the applicant receives written notice of the denial. The department or its agent municipality or county may inspect a retail food establishment, as the department or agent deems necessary, before issuing a license to the retail food establishment. The department or its agent may not issue a license or interim license for a new retail food establishment until it inspects the new retail food establishment for compliance with this chapter. A previously licensed retail food establishment is not considered a new retail food establishment under this subsection solely because of a change of ownership, or solely because of alterations in the retail food establishment.

- Enforce additional local ordinance requirements related to retail food establishments.
- Regulate restaurants, hotels or vending machine commissaries pursuant to an agreement with the Wisconsin department of health services under s. 254.69, Stats.

Note: See s. 97.41 (4), Stats.

(5) REVIEW AND EVALUATION. The department shall periodically review and evaluate a local agent's implementation of an agent agreement, as provided in s. ATCP 75.12.
