This goal was determined to have been partially completed with the addition of the Minocqua school district. The Sheik Law Office printed <i>Parents Who Host</i> in the Rhinelander Daily news with readership throughout the county.  <b>(Yes)</b> <u>Objective 3:</u> Was determined to have been completed as the sheriff's dept. is involved in the "take back" program which services the entire county.  <b>(No)</b> <u>Objective 4:</u> Was determined to have not been completed as the data show as increase from 32.5% of students in grades 9-12 who report drinking to 36.7%, which is why we implemented the <i>KNOW!</i> project.</p>
