Topic.	Discussion/Decision	Action needed:
<u>Welcome</u> <u>& Update:</u>	Lync Attendees:	Bob Kovar- Marshfield Clinic No program updates.
<u>Review:</u>	1.) Review of last month's minutes. 2.) Workplan Review:	1.) AODA Coalition meetings from Feb and April 2015 have been posted to the OCHD website. 2.) Anne will email the membership the updated CADCA 2015 AODA workplan. Bob Kovar emphasized that this <i>is</i> the proper format for future prevention funding proposals. We have completed four of the 24 workplan strategies. Some are partially completed.
<u>Old Business:</u>	1.) Human Services SAMSHA Rx Drug Grant Update:	1.) We began discussion on the structure of the AODA Coalition and how we can increase capacity with the Human Services Grant funds. Bob K. mention that meeting every other month does not seem to help the Coalition's work. Everyone agreed and would like to survey the membership on what times are most convenient. Also we need to include the <i>Mental Health Interagency Coalition</i> to see if we can join our common goals in the three county areas: Oneida, Vilas and Forest. Katie will bring this topic to the Mental Health Coalition at their meeting next week. Katie may schedule a meeting with AODA support staff and members of the Mental Health Coalition to review common goals. Linda Conlon suggested that we start to look at a 6 month Coalition implementation plan for a new combination committee. The HPHOC is looking at extending their current Coalitions another year to coordinate better with the Hospital's 3 year CHA grant. This would give us one extra year to restructure our coalitions.

		<p>Bob Kovar said next year, the Wisconsin Alliance for YOUTH will mostly likely administer the SAMSHA Rx Drug Grant for 2016-2019. It is designed for 12- 25 year olds pertaining to prescription drug prevention strategies. Brainstorming ideas were shared as to how to use the current grant funds by September 2015. It was suggested to meet in July to finalize a plan. Bob Kovar will send a link to how to address AODA and Mental Health issues and how to build Coalitions.</p> <p>Lynn Feldman suggested ways to fund current strategies in our workplan:</p> <ol style="list-style-type: none"> 1.) “Ripple Effect” computer license cost \$599 per computer can be used for TEEN COURT kids. 2.) <i>Text To Tip</i> for law enforcement support, cost \$2,400 3.) KNOW! Program workbooks for 6th grade families for 3 years would cost \$3,500 4.) Town Meeting (unknown cost) 5.) Summit for AODA similar to Mental Health Summit 6.) Key chains from Three Lakes High School PHAB lab to promote parents website information on AODA issues. 7.) Funding for Coalition Facilitator to implement changes 8.) Project MAGIC is a curriculum that provides skill building and is a SAMSHA approved prevention program. It cost \$150.00 per set. 9.) <i>Dangerous Decisions</i> video \$139.00 <p>Bob Kovar also suggested we “pool” funds to a larger marketing campaign to promote the <i>RX Drug “drop off”</i> dates and create additional permanent <i>RX Drug drop off</i> sites at local pharmacies.</p>
	2.) Northwoods Coalition Update	2.) Bob Kovar sent out the minutes from the last NWC meeting. Anne C. provided copies of the <i>Epidemiological Profile</i> from the Northwoods Coalition meeting that were given to her by Cori Zelaoski. She will also email them out.
	3.) <i>KNOW!</i> Project	3.) Still hoping to promote this program with the 6 th grade families for the next three years. Having difficulties in getting permission to use the <i>KNOW!</i> Logo.
	4.) Parents Who Hosts	4.) Anne C. reported that they did get the bill for the postage from RHS for the PWH campaign and took pictures of the sign in front of RHS for the annual report. There was media coverage in the local newspaper on May 16, 2015. Lynn is planning to do a <i>Perception Survey</i> to see if parent’s attitudes are changing to promote a Social Host ordinance.

	<p>5.) Mental Health Coalition update</p> <p>6.) CHIA Grant Update:</p>	<p>5.) Katie Kennedy reported on the Mental Health Coalition. They have their meeting next week. She will talk to Laura Rozga about our proposed combined Coalition changes. Karen K. stated they talked about having a Candlelight Vigil at a football game for Suicide awareness and would AODA Coalition support this effort? All present thought we could and should.</p> <p>6.) CHIA GRANT update: Dawn Klink and Anne Cirilli attended the second CHIA grant meeting in Stevens Point on June 22nd. Anne shared materials and will send the Power Point information to the AODA members via email. It was about how to influence people with power to support your efforts to change alcohol policies.</p>
<p><u>New Business:</u></p>	<p>1.) Prevention Week Updates</p> <p>2. Legislative Forum</p> <p>3. Other NEW Business:</p>	<p>1.) We will postpone the Updates from the Prevention Conference, including reviewing Melissa Dotter's section on Strategies for Success until our next meeting because of limited time today.</p> <p>2.) The Legislative Forum is scheduled for August 11th in Arbor Vitae. State representatives have been invited to attend. We are encouraged to also go to this meeting. Details were sent out by Cori Zelaoski. Please attend if you can!</p> <p>3.) The <i>Rx Drug TAKE BACK</i> event is scheduled for Oct. 17th.</p>
<p><u>Future training opportunities:</u></p> <p><u>NEXT MEETING: THURSDAY July 23rd, 2015 @ OCHD 2nd Floor Conf. Rm.</u></p> <p><u>10:30-12:00 pm at Oneida Co. Health Department</u></p>	<p>1.)
