Topic	Discussion/Decision	Follow Up
<b>Welcome</b>	Welcome LIVE MEETING participants	
<b>Review</b>	1. Last meeting minutes review.  2. CHIP goals 2012 reviewed.	CHIP Goal #2 Objective #1: Educate Parents  Karen reminded us about a program available at the Drug free action alliance called <b><i>Know!</i></b> <a href="http://www.drugfreeactionalliance.org/know">http://www.drugfreeactionalliance.org/know</a> This information can go out in school newspapers, parent letters, etc. This month topic: <i>“Typically, the 1st use of drugs in younger kids is the month of JUNE”</i> . Please let us know if you use this information in your press releases.

<p><b>Old Business:</b></p>	<p>1.) Grant Opportunity- <i>Security Health Plan</i></p> <p>2.) Northwood's Coalition Update:</p> <p>3.) Underage drinking <i>PWH</i></p> <p>4. TAKE BACK April, 28th 2012, hosted events throughout county.</p> <p>5.) <i>Alcohol Awareness</i> week activities.</p>	<p>1.) Questions on timeframe were answered. No immediate plans to apply for this grant at this time.</p> <p>2.) Bob Kovar discussed the NW Coalition's last meeting on 4-20-12 where they discussed the AmeriCorp issues and concerns. The next meeting will be held on May 17<sup>th</sup> in Keshena, everyone is welcome to attend. Anne C. will forward all Bob's email in the future. Bonnie Shields is the Positive Youth Development agent. They are re-focusing on <i>resiliency</i> in troubled youth.</p> <p>3.) Local law enforcement plans on extra patrols for prom. RHS staff left a parent's message on every senior parent's message machine about PWH activities. Lawn signs have been distributed and are in school properties and private homes front yards.</p> <p>Jim St. Charles distributed the PWH brochures to Trigs and is requesting additional printed handouts. Anne C. will find original template and get additional copies made.</p> <p>Susan Hampton reported that the big school banner is at the NCSS and the Rhinelander High School.</p> <p>Jill has purchased gift cards for the Post Prom Parties for all three high schools.</p> <p>Jeff and Jim St. Charles will do a <i>Live at Five</i> Channel 12 WJFW spot this afternoon.</p> <p>4.) TAKE BACK drug drop off are scheduled for this weekend in the Three Lakes Town Hall, Marshfield Clinic-Minocqua, Rhinelander Police Department and Nokomis Fire Department. Anne will call the Rhinelander Police Dept to get the amount (poundage) of drugs dropped off and give this information to Bob Kovar.</p> <p>Anne has written a blog about the AODA coalition info for Public Health Week. It was on the RHS website for three of the Sophomore PE classes last week. An estimated, 75 people got a chance to see April is Alcohol Awareness week. The Rhinelander School also had arranged a MOCK car accident this week. See newspaper coverage:  <a href="http://www.rhinelanderdailynews.com/main.asp?SectionID=6&amp;SubSectionID=47&amp;ArticleID=51638&amp;TM=44672.55">http://www.rhinelanderdailynews.com/main.asp?SectionID=6&amp;SubSectionID=47&amp;ArticleID=51638&amp;TM=44672.55</a></p>
-----------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p><b>New Business:</b></p>	<ol style="list-style-type: none"> <li>1.) Jim Winkler is looking at adding to the TEEN COURT Sanction Education videos. He would like the bullying/ angry management/ or harassment video from HRM.</li>   <li>2.) Speaker at School about Drug Abuse and Suicide.</li>   <li>3.) Krokodil drug alert info:</li>     <li>4.) DRUG COURT &amp; Drug Taksforce info:</li>     <li>5.) Mental Health Coalition:</li> </ol>	<ol style="list-style-type: none"> <li>1.) Is this something the AODA Coalition can fit into its' budget? There is a buy-one-get-one free offer on the HUMAN RELATIONS Media catalog. Discussion followed how this could connect to the CHIP plan to encouraged collaboration with other Coalitions and that Mental Health Coalition may want access to our video library for brain development, drug abuse and now bullying (if purchased). This also lends itself to ways to prevent drug abuse if teens can develop strategies to avoid being bullied into using drugs. Jim will send the information to the Health Dept. to review (and order).</li>   <li>2.) Darlene Collins will be a guest speaker for the Rhinelander High School and Junior High classes to talk about how her son committed suicide after becoming a heroine user. Darlene's mom was at our Coalition meeting last year and developed postcards to be given to parents to find out more about drug abuse.</li>   <li>3.) Krokodil is being made in Russia for more information go to: <a href="http://www.independent.co.uk/news/world/europe/krokodil-the-drug-that-eats-junkies-2300787.html">http://www.independent.co.uk/news/world/europe/krokodil-the-drug-that-eats-junkies-2300787.html</a></li>   <li>4.) Bob Kovar reported that Tanya Baker, from the WI Dept. Health Services is developing a DRUG COURT case management system in Langlade County. This is a "post sentencing" of drug abusers options to participate in lieu of jail time. Two medical students have created a "drug awareness" pamphlet that will be available at the May 24<sup>th</sup> Northwoods meeting. Rx Drug Taskforce at Marshfield Clinic in Minocqua met on Feb. 16<sup>th</sup>, 60 people attended and they created an 11 point workplan. Their next meeting is May 24<sup>th</sup>. All are welcome to attend.</li>   <li>5.) Jeff Knudson and Karen Knudson attended the MENTAL HEALTH Coalition meeting. There next meeting is TUESDAY, MAY 1<sup>st</sup> at the Rhinelander St. Mary's Hospital on the clinic side. Go to Conference Room #2 in the lower level. All are welcome to attend. They will be looking for parent network opportunities to include the topic of BULLYING.</li> </ol>
-----------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p><b>Future training opportunities</b></p>	<p>1.) <i>Mental Health Summit</i> May 11<sup>th</sup> at the Waters in Minocqua WI</p> <p>2 ) PREVENTION CONFERENCE In WIS DELLS, June 11<sup>th</sup> -13<sup>th</sup>.</p> <p>3.) Glenis Benson Autism Presentation</p>	<p>1.) Our coalition will have a table at the <b>Mental Health Summit</b> on May 11<sup>th</sup>, 2012 at the Waters, in Minocqua. Anne will get handout to Erica Brewster.</p> <p>2.) For more information go to: <a href="http://www.wiclearinghouse.org/prevention-conference.html">http://www.wiclearinghouse.org/prevention-conference.html</a></p> <p>Jeff Knudson would like his mileage to attend this meeting to be covered by the AODA Coalition. He did get his room and cost of the conference covered by Dorothy Channey's organization. He will record only direct travel for reimbursement.</p> <p>3.) Contact Jaye Bessa with questions at: <a href="mailto:BESSAJAY@rhinelander.k12.wi.us">BESSAJAY@rhinelander.k12.wi.us</a></p> <p>Coalition agreed to help with scholarships for community members.</p>
<p><b>FYI</b></p> <p><b>&amp;</b></p> <p><b>Next Meeting</b></p>	<p><b>Next Meeting:</b></p> <p><b>May 23<sup>rd</sup> from 1:00 -2:30 pm</b></p>	<p>UPDATE in the NEWS: It is being reported on USA TODAY that people can find information on the internet on how to reduce the hand sanitizers (available everywhere) to its' distilled alcohol content of 65%.</p>
