Welcome	1. <u>Live meeting</u> today. First meeting at the new Public Health Office. Some difficulty with the projector but we were able to hear the live meeting participant.	OCHD staff will continue to work out the bugs with the live meeting issues.
Review	1. <u>Review of last meeting minutes.</u> 2. <u>Conference Updates</u> Jeff Knudson attended the WPN Annual Meeting where they worked on developing their mission statement. Between 150-200 people attended the excellent Flo Hilliard presentation, Jeff and Bob were there. They reported it was exciting to see law enforcement attend the meeting.	Jill to do the paper work needed to reimburse Jeff for 180 miles.

<p>Old Business:</p>	<p>1. <u>CHIP Goals & Objectives Update.</u> Anne will wait to invite Lara Reed (Rhineland Chamber) to a meeting when Erica is present to define what/how we want to approach AODA community issues with Lara</p> <p>2. <u>Northwood's Coalition Update</u> PAC will be hosting a Local Coalition Collaboration Meeting, September 25th 2012 in LdF. It's important for coalitions to be on the same page and learn from each other in regards to prevention activities.</p> <p>There was a change of leadership for PAC due to funding.</p> <p>Looking into where state/federal prevention monies are spent. Are they being used for primary prevention activities?</p> <p>3. <u>Under Age Drinking</u> Still working on getting our library connected with the Extension library.</p> <p>4. <u>Take Back September 29, 2012</u> Good time to re-educate the public. Rhineland has a permanent drop off site but the National Date should be promoted. Ministry St. Mary's may want to promote this as Marshfield Clinic does in Minocqua. Diane Jacobson at DOA could spread the words to the seniors.</p>	<p>Anne will move this to the next agenda when Erica is available.</p> <p>Bob will email additional information on work other counties have done related to festivals.</p> <p>Contact Anne by September 10 if interested, maybe car pool and reimbursement for miles.</p> <p>Bob will send additional meeting information when available.</p> <p>Bob will forward additional information.</p> <p>Library to be moved to next agenda. Jim continues to work with Rhineland Catholic in selecting videos for purchase.</p> <p>Jim St. Charles will contact NA to see if they would be interested in publicizing the event. He will also talk about it when he does the <i>Live at Five</i> for the Recovery Celebration.</p> <p>Jeff will contact the Mental Health Coalition to see what they feel they could do to promote this event.</p>

<p>New Business:</p>	<p>1. <u>Healing to Wellness Drug Court</u> Vilas County and LdF Tribal Council passed a Resolution of Support to start a Healing To Wellness (Drug) Court between LdF and Vilas County. The TC directed Bob to connect with the Oneida County to include them in this effort as some tribal members end up in Oneida County Court as well and it makes good prevention sense to include Oneida Court in this mix.</p> <p>2. <u>Candidate Forum 34th District</u> Partner with the Northwood's Tobacco Free Coalition NWTFC.
