Review	<p>1. Last minutes and BY-LAWS update</p> <p>2. <u>Conference Updates</u>:</p>	<p>1.) No corrections from the Jan. 18<sup>th</sup> , 2013 meeting notes.</p> <p>Anne C. will send changes in the AODA COALITION BY-LAWS to the members to review before the next AODA Coalition meeting. Changes will be highlighted in a different color and we will approve the updated BY-LAWS on 3-25-13.</p> <p>Kelly Schoen offered to replace Jeff Knudson as co-chair of the AODA Coalition for 2013.</p> <p>2.) Karen Knudson, Kelly Schoen and Bob Kovar (absent today) did attend yesterday’s Northwoods Coalition North Regional meeting held at the Oneida County Law Enforcement Center. They shared what they learned from the NORDEG officer on synthetic marijuana and K2 spice bath salts. Which now needs to be legally classified as a “hazardous substance” so it will be useful to law enforcement and prosecution of these cases. They are also seeing the trend of increased heroine drug trading in the Northwoods.</p>

	<p><u>2.) Updates (cont.):</u></p>	<p>Anne C. and Eric Brewster attended the Rhinelander City Council meeting and discussed the procedure to vote on the change in the city ordinance immediately after the public hearing. Little discussion among Council Members and they voted to support getting new businesses established in Rhinelander to include alcohol at all gas stations. The Newspaper article in the Rhinelander paper was accurate. The Feb. 6, 2013 Hodag Buyer Guide had a <i>Question to the Editor</i> about how many liquor licenses are now allowed and the answer is there is no limit to the number of Class A licenses.</p>

The 2013 workplan was reviewed by the HPHOC Steering Committee with suggestions to not take on too many projects in one year. We would like to expand to all three high schools when there are youth activities. We are looking for a "point person" we can share information with. For Three Lakes High school it was suggested to contact Kristen Margitan. For Lakeland Union High it was Jim Ellis or Samantha Towers. They will be contacted before the next AODA mtg. The AODA Lending Library should be available to all high schools. The workplan will include mass media to educate public on AODA issues to include a "Calendar of the Month AODA issues".</p> <p>2.) Louis Oppor is the State of Wisconsin's Section Chief for the Substance Abuse Services, Bureau of Prevention Treatment and Recovery Division of Mental Health and Substance Abuse Services.
