Welcome	Present participants and <u>Lync Attendees</u> :	Susan Hampton and Erica Brewster were able to join us via <i>LYNC</i> today.
Review	<p>1. <u>Review of last meeting minutes.</u></p> <p>2. <u>Conference Updates:</u> “Healing to Wellness” conference:</p> <p>“Cyberbullying”</p>	<p>Reviewed by group present today, no additions or corrections. Anne apologized to the group for missing the Oct 18th CHAMPS presentation. She and her intern, Katie, had developed a table top quiz and display for the presentation, but the time was incorrect. “After work” vs. “after school” times confused Anne and they arrived late for the presentation. Susan Holster assured us that we can do this presentation again at their next meeting in December. She will let us know the time and date.</p> <p>Gail Nelson attended the Oct. 12th HEALING TO WELLNESS event in Lac du Flambeau. It was sponsored by the Family Resource Center. This workshop discussed AODA treatment options that included the “spiritual aspects” of recovery.</p> <p>Susan Hampton attended the CESA 9 “CYBERBULLYING” workshop and found an excellent website for information and resources. Please check out: http://www.cyberbullying.us/ for more data and information.</p>

<p>Old Business:</p>	<p>1. <u>Candidate FORUM Update.</u></p> <p>2. <u>Northwood's Coalition Update:</u></p> <p>3. <u>Under Age Drinking</u> Still working on getting our library connected with the Extension library.</p> <p>4. Drug Court UPDATE</p> <p>5. OTHER: <u>Take Back September 29, 2012</u></p>	<p>Anne C. worked with members of the Tobacco Coalition to interview the Candidates for the 34th Assembly and the 12th Senate District earlier this month. Tom Tiffany, Susan Sommer, Merlin VanBuren, Paul Ehlers attended these one-to-one discussions. The Candidate FORUM was held on Oct 24th and all the independents and Democratic candidates attended, but the Republicans (T. Tiffany and R. Swearingen) did not attend. Anne gave an introduction to the AODA Coalition and showcased their past accomplishments and gave a vision for the future on how elected government officials could impact laws that provide alcohol to teenagers. The AODA questions that the candidates were asked were sent out to the Coalition earlier in the week. About 35 people attended the debate and those who participated appreciated the chance to exchange their viewpoints and how they would work with us if elected. <u>REMEMBER TO VOTE ON NOVEMBER 6th.</u></p> <p>The next meeting of the Lakeland area RX TASK FORCE will be held on Nov. 19th at the Marshfield Clinic in Minocqua. Please watch for Bob Kovars' emails if you are interested in attending. The next meeting for the Northwood's Coalition is scheduled for Wednesday Nov. 28th in Mole Lake. <u>Since this conflicted with our next scheduled meeting, so we decided to switch our next AODA Coalition meeting to FRIDAY, NOVEMBER 30th at 1 pm,</u> to accommodate those who wanted to attend both meetings.</p> <p>Erica Brewster is willing to "house" the AODA lending library once they find out for sure <i>when and where</i> they are moving. Right now, the Oneida Co. Health Department will keep the videos at their office in the Reproductive Health Clinic (turn left when you get up the stairs at the Health Department in their new building on 100 W. Keenan Street.)</p> <p>No report.</p> <p>We did learn that Jeff Knudson's position was not renewed. Since he no longer works at OPTIONS TREATMENT CENTER, he will not be on the Drug Court planning group. Susan Hampton suggested we contact OPTIONS new physician, Dr. Kelly Shoen, to see if she would be interested in working with AODA Coalition in the future.</p> <p>Posters were sent out to the AODA Coalition members to send out to their contacts to increase awareness of the <i>TAKE BACK</i> event.</p>
