An invitation has been sent out to the AODA Coalition committee members to attend these meetings if their scheduled allowed.</p> <p>Anne will work with Erica Brewster and Karen Knudson and others who may be interested in developing this presentation. Susan estimates 100-200 parents and their students will attend. The after-school, CHAMPS program organizes this event.</p> <p>Discussion led to what we could cover at this meeting to include kids and their parents. It was suggested to have "talking points" or a quiz at each table that people eating at the tables could start a conversation about AODA issues and have the "game" or answer presented at the end of the dinner with an invitation to join the AODA Coalition for interested parents. We will also have our display and handout postcards with websites for parents to find out more about AODA issues.</p>
