Agenda Topic	Discussion	Decision / People willing to follow up
<p><b>Oneida County Chronic Disease Coalition Meeting Minutes</b></p> <p><b>Welcome</b></p> <p><b>Review September Minutes</b></p> <p><b>Tobacco Presentation</b></p> <p><b>Community Forum</b></p>	<p>10-17-12; 3:30-4:30 Oneida County Health Department Rhinelander</p> <p>The group reviewed the September 2012 meeting minutes.</p> <p>Nicole Kostrova of Northwoods Tobacco-Free Coalition NWTFC presented Tobacco products old and new: “manipulicious” candy like tobacco and nicotine products targeted at youth. These products are not taxed like cigarettes and are not behind the counters of stores. It is a cheap and easily assessable option for teens and young people, the products are addictive. It has been proven that early exposure to multiple nicotine products = lifetime smokers. Smoke free air was passed on July 5<sup>th</sup> 2010 no plans for repealing smoke free air. NWTFC presented FACT: Fighting Against Corporate Tobacco. This program is available in the middle school, members raise awareness by having education and anti smoking and tobacco exhibits in the community. Education at the grade school level is also presented in schools across the Northwoods.</p> <p>Nicole Kostrova presented Community forum details. The forum is sponsored by Oneida County AODA coalition, Northwoods Tobacco Free Coalition, Northwoods LEAN coalition, and Wisconsin Native American Tobacco Network.</p>	<p>Members introduced themselves.</p> <p>Minutes approved</p> <p>Questions about tobacco products and strategies of tobacco companies were discussed and answered by Nicole. Handouts and surveys were provided.</p> <p>Our coalition will sponsor and provide questions on obesity, physical activity and nutrition. LEAN members are encouraged to email questions to Kyla for the candidates to answer and to attend this event.</p>

**Ron Harms Introduction**

Senate District 12 and Assembly District 34 candidates are invited. The educational event is designed inform the public about several critical health issues being addressed during the election cycle

Ron Harms has agreed to Co-chair LEAN. Ron and his wife Barbara have made Eagle River their home for the last five years. Ron is a retired family practice Physician from Shawano with work experience in coordinating clinical faculty at UW Medical School, Senior Medical Director at Touch Point Health Plan, Market Medical Director at United Healthcare of Wisconsin, research faculty at Department of Family Medicine, UW School of Medicine and Public Health, and Chief medical Advisor, Wisconsin Employee Trust Fund. Ron enjoys spending time with family and outdoor activities like jogging, biking, kayaking, and cross county skiing.

Kyla also announced that Laura Magstadt has agreed to co-chair LEAN. Laura is Employed at Ministry Health Care at Eagle River Memorial Hospital as the Director of Nursing and Operations. She is also on the Board of Health for Vilas County. Laura could not make today's meeting because she was at a Public Health Orientation.

**Stakeholder Activity**

Ron led the group in an activity to identify stakeholders in our communities, to determine what we have and what we need. Brainstorming of people, groups and organizations was compiled.

Dawn Rog  
Day Cares  
Clergy/Ministerial Associations  
Clubs- Rotary, Kiwanis, Lions  
AAUW  
Business after 5

A Survey Monkey will be emailed to everyone for record keeping and formal co-chair voting purposes.

Coalition comments and questions were fielded at this time, no comments or objections were noted.

We are excited to welcome both Ron and Laura and are confident their skills and leadership will be a great asset to LEAN. Coalition applauded the announcement
