Linda C went through each strategy (or objective) and their activities.

- Strategy 1: Establish an effective coalition structure which allows for long term growth and success.
- Strategy 2: Increase member engagement in coalition
- Strategy 3: Participate in Healthy WI Leadership Institute
- Strategy 4: Implement “Healthy Check Out” program at local grocery stores
- Strategy 5: Implement “Strong Bones, Strong Women: program in Oneida and Vilas counties
- Strategy 6: Actively participate in opening of Eagle River section of the Three-Eagle bike/pedestrian trail.
- Strategy 7: Support and participate in further implementation of the “Living Well with Chronic Disease” educational series in collaboration with the Commission on Aging.
- Strategy 8: Complete CDC Change grant assessment.

Linda C stated she may use the new Assistant Director candidate for this if he accepts the offer. He has more educational background in data collection. She will have him lead and Rob assist. She hopes to get this going by the end of 2013 because they need data for the hospital and also need local data for the next community needs assessment.
