Welcome/Introductions		
Review Minutes	Minutes from February 2013 meeting were reviewed.	
Review 2012 CHIP Annual Report	<p>Reviewed 2012 CHIP Annual Report. Linda explained that the Annual Report followed the same layout as previous reports showcasing accomplishments but with the addition of goals, goal indicators and activities completed to meet goals. Chronic Disease was presented a bit different than AODA and Mental Health because they are just starting out.</p> <p>The 2012 CHIP Annual Report is on the Public Health website under Healthy People, Healthy Oneida County and was also discussed at last month's Health & Aging Committee meeting.</p>	Linda C will send out minutes along with the agenda for future meetings.
Discuss Coalition Updates	<p><u>Mental Health</u>: QPR training (train the trainer) was just completed and was a success. Coalition is working on a student survey for high schools. They are looking at where students are getting mental health information and how they would like to get it.</p> <p><u>AODA</u>: Working on Parents Who Host campaign for graduation. Looking at parenting network. They also will speak to parents and students at a CHAMPS dinner (an after school program).</p> <p>Mary Peterson asked if there were any counseling resources at</p>	Linda C will check with the AODA and
