Regarding events . from Randy Zarecki, Bike Fed Northern Regional Director:

What about an Oneida/Vilas bike tour!? Something with variety & family - friendly picking up some of the better trails in the area (Bearskin, 3 Eagles, St. Germain, etc.). I can see a century ride loop from ER to Sayner to Tomahawk & back with smaller (15, 30, 60) loop options. [Here's an example of what the folks in Washburn are doing tomorrow.](#)

In addition to bringing the entire cycling community together, I'm finding that these events can also generate funds for your trail building efforts: sponsors

contributions; premium sponsors; & ride fees all add up.

I don't know all the details around this kind of thing, but I'm well connected to people who have, and believe The Bike Fed should be able to produce a 'kit' for something like this (templates & checklists). Among other things, you'll need town (possibly county) permission/permits, waivers, insurance, a marketing campaign, and a whole lotta volunteers! It would be a stretch to stage it yet this year, but not entirely out of the question.
