12:30 to 12:45 [2014 Coalition Workplan](#)
[SWOT Analysis or Survey Monkey](#)

--Char

Discuss Proposals #1 and 2 today.
Discuss Proposals #3 and 4 at next meeting.

Proposal #1 --Rename: *Tri-County Mental Health Interagency Council*
Forest, Vilas, and Oneida Counties

Proposal #2 --Restructure: Main council meets every other month, alternating from AODA Coalition to allow shared membership participation. Next meeting of MHIAC would be [May 6th](#).

This would then coincide with CST Committee meetings; it would allow shared members in AODA & MHIAC & PAC to participate; it would allow more time to work on projects (with limited membership activity, 29 days is not enough time!)

Note: Next AODA meeting: [April 28th, 10:30 to noon, Oneida Co. Health Dept.](#)

Please consider for next MHIAC meeting:

Proposal #3 – Restructure: Subcommittees/ workgroups for:

- > QPR Team and Suicide Prevention
- > Biannual FBK Summit
- > Student Anti-stigma/awareness Campaign—surveys, video/PSA Contests, etc.
- > Biannual Community Walk Event (alternate Summit year)
- > Data collection team
- > Collaboration with NAMI for Drop-In Center
- > AODA Coalition, PAC, Northwoods Drug Task Force Initiatives
- > Grant-writing
- > Other

Could meet in person, by conference phone, or by email per workgroup needs. Update MHIAC council at next teleconferenced meeting. Could be teams of 2 or more and between coalition membership.

Proposal #4 – Restructure: Is there a need for individual agreements ?

Example of member agreement: “Char maintains listserv and networking for MHIAC, CST, and direct connect with AODA, PAC representatives; schedules meetings; provide typed minutes and agendas for MHIAC & CST meeting groups; Data collection team member; Student Anti-stigma/Awareness Campaign liaison with Oneida High Schools; reports back to HPHOC Steering Committee and OCHD annually in presentation and written reports; assist with grant-writing and coalition survey descriptions, promote MHIAC at events, media/update brochure; co-facilitate MHIAC meetings in absence of Chairperson; attend AODA meetings as time allows”.

Note: There is a CST Committee meeting today at 1:00.

Next meeting dates: *TBD: April 1 at Oneida Co. Health Dept. (use same phone # to call in), May 6th, June 3rd, No July, Aug. 5th, Sept. 2nd, Oct. 7th, Nov. 4th, Dec. 2nd*
