Please consider at future MHIAC meeting(s):

Proposal #3 – Restructure: Subcommittees/ workgroups for:

- > QPR Team and Suicide Prevention (Andrea, Nancy, +?)
- > Biennial FBK Summit (Pam, Cathy, Laura, Katie, Andrea, +)
- > Student Anti-stigma/awareness Campaign—surveys, video/PSA Contests, etc. (Char, Lynn F., Cathy, +?)
- > Biannual Community Walk Event (alternate Summit year) (Katie,+?)
- > Data collection team (currently Andrea and Char with Ministry and WI DHS Northern Regional Office Rep.)
- > Collaboration with NAMI for Drop-In Center (Andrea, + ?)
- > AODA Coalition, PAC, Northwoods Drug Task Force Initiatives
- > Grant-writing
- > Vilas and Forest Counties involvement: What are they currently doing that we can learn from? This may be listed in the MOU. MOU are a good idea, we can use the process the CST Team used by breaking into small groups and developing.

*Could meet in person, by conference phone, or by email per workgroup needs. Update MHIAC council at next teleconferenced meeting. Could be teams of 2 or more and between coalition memberships (i.e. AODA & MHIAC, NAMI & MHIAC, PAC & MHIAC, etc.).*

Proposal #4 – Restructure: Is there a need for individual agreements ?

Example of member agreement: "Char maintains listserv and networking for MHIAC, CST, and direct connect with AODA, PAC representatives; schedules meetings; provide typed minutes and agendas for MHIAC & CST meeting groups; Data collection team member; Student Anti-stigma/Awareness Campaign liaison with Oneida High Schools; reports back to HPHOC Steering Committee and OCHD annually in presentation and written reports; assist with grant-writing and coalition survey descriptions, promote MHIAC at events, media/update brochure; co-facilitate MHIAC meetings in absence of Chairperson; attend AODA meetings as time allows

**Note: There is a CST Committee meeting today at 1:00.**

Next MHIAC meeting dates: **June 3<sup>rd</sup> (special), July 1<sup>st</sup> at Oneida Co. Health Dept. , Sept. 2<sup>nd</sup>, Nov. 4<sup>th</sup>,**
