Workgroup idea: *could meet in person, by conference phone, or by email per workgroup needs. Update MHIAC council at next teleconferenced meetings.*

*****Please note that the members currently listed may change!***

Could be teams of 2 or more and between coalition memberships (i.e. AODA & MHIAC, NAMI & MHIAC, PAC & MHIAC, etc.).

Proposal #4 – Restructure: **Is there a need for individual agreements ?**

- > **Vilas and Forest Counties involvement: What are they currently doing that we can learn from? This may be listed in the MOU or in an Interagency Agreement.**
Either type of format will be a good idea-- we can use the process the CST Team used by breaking into small groups and developing an agreement of some sort.

Example of member agreement: "Char maintains listserv and networking for MHIAC, CST, and direct connect with AODA, PAC representatives; Schedules meetings; Provides typed minutes and agendas for MHIAC & CST meeting groups; Data collection team member; Student Anti-stigma/Awareness Campaign liaison (one of 3) with Oneida High Schools; Reports back to HPHOC Steering Committee and OCHD annually in presentation and written reports; Assists with grant-writing and coalition survey descriptions as needed, Promote MHIAC at events/media; Update brochure; Co-

facilitates MHIAC meetings in absence of Chairperson; Attends AODA meetings as time allows. (*based on past duties...*)
