Andrea - Planning the Mental Health Summit -  
Do Brainstorming on timely topics we would  
like to address, then identify key notes speaker -

Chen - Spend time at each meeting doing this -

Andrea - Let's just go w/ The Waters & use the tent -  
- tent could fit up to 200 people -  
Break-outs would be separated in the  
Building itself -

Brainstorm About the day, topics, key notes, place -  
- Age Range - less breakouts - we had 4 at  
the same time - 4, 4 & 2 -

Kelly to talk to Doug Nelson's class about topics  
video - Shane Kopran - March 18th about - look  
sent - Children's Mental Health Networks -  
links to videos on bullying & respect

Karen - Good speaker from Medford - adolescent

have "hope" in this with EMIS.

Tom - Aspergers - Olevis to speak? - Talked about  
unintentional bullying

Rob - mental health varies from day today & not everyone  
has a diagnosis

Re-evaluate agency goals & overall goals

Missy - Correlation between physical health & mental  
health -

Rob - Both & having something that they can do -  
Kelly - Stress relief, smoking cessation, self care

(2)

Holistic approach -

Missy - Booth - several people to talk about resources in the community or state? Mentioned Jackie Baldwin & resources

Karen - Resource directory - Updated Omada - Aging Disability Resource Center to have a booth -

The Piazza booth - Other services? - Available -

Missy - Booths are valuable at conferences - looking for things that are valuable - People can seek out information that they want to see -

Interactive booths -

Kelly - Self care - Experiential programs that are available to all ages

Topics for adolescents? - What topics & what is interesting for all

Robin - Social & Emotional Competence  
Poster presentations - Poster sessions show  
vanderbilt.edu/csefel to do this -

Andrea - Goals - As mental health dept - can facilitate, have Kollar funds, support this

Char - Health Dept - in support of summit & history & continue getting information out to all

Send info to Char for distribution & setup, take care

Rob - Health prevention - engaged in community, sharing from person to person - awareness of mental health issues - State objectives - using this to meet state prevention

3

Data collection portion & evaluation - What is the best way to do this?

Committee has been growing - 2011 - 166 people  
2012 - little over 200 -

Could potentially have 200-300 people

Pam - U.C. Health Dept - Plan includes mental health & AODA issues - helps meet objectives

Kelly - taking on different activities & help wherever -

Anneka - CHIP planning -

Howard Young - lacking in CHIP planning - can we tap into them for people resources

Rob - list of seeing if your council or coalition is touching agencies for broad spectrum population -  
Rob to bring list -

QPR -

Rob - still here - 18019 people signed up - April 19, 2013 -  
Sign up not closed yet -

~~From~~ Omaha with ~~North~~ Plures, Class #7 & 9 are coming  
Red. School District - some of those coming &

Student Survey Initiative -

Letting administrators know of idea to do a student survey

How to get all schools on board?

Student survey questions were done  
Kari Schmidt (PDS) waiting for finalized letter survey -

Chen has copy of tentative questions -

How to get this out - Access? On-line, paper?

4

Kelly - Anti-Stigma Video Update  
- Doug Nelson's class to do this? Guidelines they would need to follow -

What is the message we want to convey?

Data? - Insert in video - Research new data

Can we update - How can his class do this?

Kelly to talk to him about how to proceed -

What permission would be needed to do this & release it in the community due to the size of the participants?

- Possible contest between the schools & voting on the best video -
