status	HSC- CCS 5 adults (2 pending), and 10 children. Long wait list-reduced staff. Tri-Co Women- 49 women with teams and 16 in assessment/engagement phase. 31 women referred since 1 st of year (with 47 children), 68% from Oneida Co; 50% AODA and Mental Health- at capacity. Birth to 3 – 1 family	
Training Opportunities	>Mental health Summit May 20 th in Eagle River >CST- Service Coordination and the Team Process, 2 days: May 23 rd and 24 th in Waupaca Best Western Grand Seasons, No charge, online registration: www.wicollaborative.org – Registration due by 5/13/11. >Children Come First Conference – November 17 th and 18 th , 2011 >DVD available from Donna at HSC: Suicide Risk Assessment, Dr. David Mays (Pyle Ctr. Madison Video Conference). >Dr. David Mays coming to Ministry in June. Children and Mental Health Issues.	Information coming
Issues/Concerns	Discussion: Increased use of RX meds, parents and pregnant females- rx use “off the charts”. David of Minocqua PD reported on “Take Back Initiative”- collected 77 rx’s, 5 drop-off points. Marshfield Clinic and Ministry report policy of “No refills for rx meds” if lost or stolen-client will need to obtain refill rx at next office visit. Note that Northwoods AODA Coalition has meeting about assessing rx drug abuse in communities, May 12 th . This discussion is ongoing. Acronym confusion expressed. CANS- Comprehensive Assessment Tool – DSS- for out-of-home placements- 150 questions- too lengthy! This tool used for placement and funding when removing kids from home due to safety risk.	Contact Northwoods AODA Coalition for information to become involved. Next mtg: May 13 th , 12:30-2:00, Oneida Co. Courthouse, Conference Room 2. Coalition meets regularly. www.oneidacountypublichealth.org Jackie sending out list of abbreviations to group via Char.
Legislative	Waiting for memo from state re: crisis beds for children/teens without	Information coming
