	<p>Propane shortage 70k per week. Costs up across the board. Concerned for April, another spike and dollars are not there. 100k approved from state guidance given to get match.</p> <p>*****</p>	
<p>Update from Northwoods Community Partners Inter-Agency Council</p>	<p>Carol : Thank you again for your warm welcome of our group. Merger of groups happening to meet demands. Sub-committee activities in place as result of merger.</p>	
<p>Family and child enrollment status updates</p>	<p>Oneida County: none (Note: No CST since Family Partners left. Starting after receipt of grants April 1st). HSC: 3 adults, 8 children (note: across lifespan; July 1st-100% funding- want to expand, improve services to families, will involve Ministry. CST can help if no MA). Tri County Women’s Outreach:</p> <ul style="list-style-type: none"> • 59 women in program and have active teams, 27 in referral/screening process. 	<p>Add Vilas and Forest Counties to this list, May Agenda! ☺</p>
<p>Update on CST Funding (explanation of CST funding in italics from January 2014 meeting) .</p>	<p><i>Jan. 2014 minutes: Focus of grant is children with mental illness, involved in at least 2 systems of care. Every county and tribe in WI eligible for CST funding, and can contract out services. Can write own regionalization plan for this funding (would mean \$189,000 in funding, so would need to go to respective county boards). First wave of funds to county that does not currently have: includes Forest, Vilas & Oneida. This means \$62,123 per county or tribe. 2 tribes currently have funding. Multi-county applications will be accepted, with funding for each county. Human Service Center can apply and/or County DSS. Could consider this CST Committee as “Coordinating Committee”, and have own county “subcommittee”.</i></p> <p><i>Side-note: Regarding <u>Continuum of Care</u></i> <i>1. Outpatient CST- no reimbursement. Eligible for targeted case management</i></p>
