No process for accessing one-time only-fund monies (i.e. pay for gas cards). “Flex monies” suggested by Dottie, for client needs (must relate to service plan as in childcare, employment), must be approved by the team and this empowers client. No check ever given to client. No flex funds for CST.</p> <p><b>Tara/DSS:</b> Suggests CST for female adults would be helpful.</p>  | <p>Dottie bringing flex \$ guidelines.</p>   |
