<p>Coalition Sustainability—WI Leadership Institute</p>	<p>Need to bring more interested MHIAC members to meetings, and discussed need to re-energize group by working collaboratively and innovatively on MHIAC goals and projects. Handout on training had been emailed to group earlier, and passed around during meeting.</p> <p>Char is interested in attending. Andrea is unable to attend first set of training sessions, so cannot participate. No other interest from members at meeting, to-date. Registration deadline is March 1st.</p> <p>Idea to see if anyone from AODA Coalition would like to attend, so we could collaborate on a mutual project.</p>	<p>Please contact Char if you are interested in being involved in this worthwhile training to help our group learn & grow! We just need 3 people!</p> <p>Char will check with Anne Cirilli (AODA) on this!</p>
<p>Student Video Project Mental Health Stigma (Prior meeting minutes in <i>italics</i> as reminder)</p>	<p><i>We need a new lead person for the project, and Lynn Feldman, a UW-Extension Family Living Educator, offered to be our council’s liaison with Doug Nelson and the Rhinelander School District. Reminder to contact Kelly Schoen to give her a copy of the RHS video, Breaking the Stigma, and to invite her to the F.B.Koller Mental Health Summit in May 2014. Katie had her cell phone number, and this was shared at the meeting.</i></p> <p>Char has kept in touch with Doug Nelson, who will have his class participate in NAMI video contest. Contest rules sent via email by Char, Pam, and Lon Voils of NAMI to other schools.</p> <p>Discussion that MHIAC will fund pizza party for Doug Nelson’s classes that work on project, and videos will be submitted to our group this year, for our review, and awards.</p> <p>Lakeland HS may also participate and has shown interest, but no definitive answer from their staff, to-date (CA)</p>	<p><i>Char will do. Attempted 12/3/13, but her “mailbox is full”, so will try again later!</i></p> <p>Further clarification needed as to AHEC funding for video awards. Wait to speak again with Gail Nelson.</p>

<p>Frank B. Koller Summit planning – <i>(Prior meeting minutes listed in italics!)</i></p> <p><i>Summit planning reminders in italics</i></p>	<p><u>Display Tables:</u> Andrea has list of 17 tables to-date. Waiting to hear back from Jim St. Charles (Koinonia Alumni), and Nancy Dewitt (QPR Table?).</p> <p><u>The Waters of Minocqua:</u> <i>Let Shirley know final number of registrants 2 weeks prior to event!</i> <i>Breakfast options (we need to let Shirley know what kind of healthier options we would like), Lunch served family style, and Keynote presentations will be in held in tent. They have Apple capabilities with screen projectors.</i></p> <p><u>Hotel Rooms:</u> <i>Block of rooms reservation already in place beginning for Thursday, May 8th and rate will not change if someone wants to stay an extra night after event. Let Shirley know number of rooms required.</i></p> <p><i>Recall that Ministry is in charge of registration, so registrants can be asked to list breakout sessions in order of importance, and it could be a “first come, first served” situation. We would like to avoid limiting number of HS students, at this point in time.</i></p> <p><u>T-Shirts:</u> <i>Missy has several ideas for EMIS logo and T-shirt colors and artwork that could be used. She will get back to Andrea on this. Plan is for MHIAC members to wear T-Shirt (if interested), and to sell at Summit.</i> <i>Keynote: Missy Z. Will be given reimbursement as Keynote</i></p>	<p>Char will contact Anne Cirilli of AODA Coalition to help contact Jim. Otherwise, Katie will try.</p> <p><i>Re: AODA Panel: Katie K. will talk to Jim Webb, and will handle this breakout.</i></p> <p><i>Suggestion: Decide if there will be any limit as to how many HS students could attend event and then contact LUHS and RHS to promote. Students will probably need to leave event by 2:00. They need a SAVE THE DATE soon!</i></p> <p><i>Char is offering to contact both HS once numbers are discussed. Are we inviting other schools?</i></p> <p><i>Check into scholarship opportunities to cover student’s cost to attend, especially if we are limiting their number. RHS should have majority, due to collaboration with them on the MHIAC Workplan</i></p>
